General. No. } 1880—81.
Camp No. 1 }

Submits recommendations for the reorganisation of the Mysore district police, and statements connected therewith.

proposes to retain this cutcha station without a jemadar and

I doubt whether the police strength at Maddur & Mandya should be reduced, as there will presently be a R.r stat. there and the Dist police are required to furnish the pdl.t the station on the line.

vide Majr Le Mis memo on Railway Police —

The reorganisation allows besides the Hd Qr. Insps. three 1st cl. & 8 2nd cl. inspectors 5 first cl & 7 2nd cl jemadars Whereas at present 14 Insps 8 sub Insps & 26 jemadars so that the reduction in no. of officers is very considerable

Of the 2 1st cl Insps Raghachar, mayas proposed, be made Hd Qr. Insps

The 1st cl Insps on the new scale will be

Sundria — at present 1st cl Insp
Ramanna . . 3d.
Syd Abdul Khader 4th.

This necessitates the retirement

of 2nd cl Insp. N Narsing Rao
do do Venkatrangan Naidu
3d do Mahd Bauker Hussain
(She recently applied to be made Asst.)

For the remaining 8 appointments there are 15 officers 4th 4th Cl. Insps or sub Insps

The D.C. provides for one

Because of sanction because

In the allocation statement I observe that except at Nanjangud the Superintendent proposes to station the jemadar who is allowed to each taluk at a substation. In all other districts the jemadar is put at the Hd Qr. station or in two instances where a jemadar is considered necessary at another station (Chennapatna & Bangalore & Chintamany & Kolar) an extra man has been allowed I don't know how the Superintendent

Insp^r Harris is trying for employment outside the Province & is recommended to be kept until he either gets that or a place here. This might be allowed for six months; but it is in excess of the provision of the 4th Cl Insp^rs pension allce of 13/ is asked which will have to be refused. Their case is not so bad by any means as Soondrias, who drops from 100+15 to 50+10 a clear loss of 53/ one and Insp^r is to be made Hd Munshi and 5 1st class Insp^rs and Insp^rs to be retired

2

He may be kept till the End of the current financial year.

Refuse

Among the Jemadars two are transferred to the Town Police which force two retirements take place One of the latter is Gulam Dastagir who has done good service he is said to wish to retire owing to failing health. One 2nd Cl jemadar is made 4th Munshi.

All the proposed retirements seem to be well chosen & with as little hardship as possible.

I approve generally. J.S.M.

From

The Deputy Commissioner

To

The Secretary to the Chief Commissioner
Police Department.

Sir

With reference to Chief Commissioner's Proceedings No. 489/15 Dated 24th September last I have the honor to forward my recommendations and the Forms prescribed for the reorganization of the District Police Force.

2 Owing to the number of higher class Inspectors in this District, the reorganization necessarily entails more compulsory retirements than was called for in the Tumkur District, but for this there was no help; I have therefore had to select for retirement those in the higher grades who are the least efficient as Policemen: the Force being smaller, it was necessary the most efficient should be retained.

3. It will be seen from the Statements that it is chiefly the surplus Jamedars who have been provided for in the general administrative Departments, in most cases by the retirement of men considered inefficient at the general reorganization in September 1879, (but the necessity for whose retirement was not then absolutely called for) or of men served for pension.

4. Among the Duffedars and Peons Class all the retirements are voluntary ~~=~~ more than was necessary being received, some have not been accepted, as there was no occasion to allow them to go on the exceptional terms offered by Government, in excess of what was called for to effect the reduction.

I have the honor to be
Sir
your most obedient servant

Deputy Commissioner
